

The name Myrtle & Rose was inspired by the flowers used in the crowns often worn by muses, in classical mythology. Both Myrtle and Rose then became symbols of femininity, love and romance. The rabbit, an animal commonly found in flower gardens also shares these symbolic ties. Known to be the messenger of Aphrodite, the rabbit is linked to love and desire and was gifted by lovers as a symbol of everlasting love.

Anise is a plant historically cultivated for its aromatic and medicinal qualities. Liqueurs made from this herbaceous plant are native to Greece, Southern France and the Middle East.
