

The name Myrtle & Rose was inspired by the flowers used in the crowns often worn by muses, in classical mythology. Both Myrtle and Rose then became symbols of femininity, love and romance. The rabbit, an animal commonly found in flower gardens also shares these symbolic ties. Known to be the messenger of Aphrodite, the rabbit is linked to love and desire and was gifted by lovers as a symbol of everlasting love.

CHASE THE GREEN FAIRY

Absinthe is a botanical spirit derived from the flowers and leaves of *Artemisia absinthium* or “grand wormwood,” mixed with green anise and sweet fennel. It rose to popularity during the late 19th century, inviting everyone, from Parisian artists to the wealthy bourgeoisie, to indulge in their daily libation in bars and cafés all around

ANISE SPIRITS

Anise is a plant historically cultivated for its aromatic and medicinal qualities. Liqueurs made from this herbaceous plant are native to Greece, Southern France and the Middle East. Since it is best enjoyed in hot weather, it is popular throughout Provence and the French Riviera, connecting friends at small cafés in the region.
